11	5	3	3	3	5	3	no response	3	Your description didn't really mention that you were presenting research already published in a book-There are all types of common assessments- perhaps you could have said <u>published</u> common assessments.	3	
12	5	4	5	4	5	5	4	5	Teresa needs to slow down when speaking-difficult to understand her, partly due to accent.	5
